

# 2018 Annual Report

Bow Valley Christian Church is on a mission to unleash love as we help people find and follow Jesus. To accomplish our mission, we help each other take our NEXT STEPS in following Jesus in these four ways:

## 1. Grow with Jesus

Luke 10:27 // John 15:9

### PRAYERMARK, GLORIA BAKER

In 2014, a long-time member of BVCC was diagnosed with Pancreatic Cancer. I included her on the PrayerMark, and our congregation began to pray for her healing, strength and encouragement. Each week I phoned her, and she would bless me as she shared her faith and trust in God! As she went through the most aggressive chemo treatments available and complicated surgery, she and her husband's strong faith and belief in God's healing remained. They never doubted He would give His best.

We have prayed for this woman's healing for four years, and she is strong, healthy and continues to have very good test results. It is a blessing for me to phone those who may need prayer. My faith grows as I listen, pray and pass those prayers on to the church.

## 2. Belong in Jesus' Family

John 13:34-35

### YOUTH GROUP, NOAH PARKER

Since I began attending Youth Group, I have been able to create strong bonds with my peers and leaders. Before I got into the youth ministry, many of my closest friends today were just faces that I saw when I went to church on Sunday. Now they are my family, and we do all sorts of things together, from just messing around to playing intense games of Power Grid. Most importantly, we have been able to walk alongside each other in our faith and grow together. Youth Group has created a place for my peers and me to belong together and create bonds that will last our whole lives.

## 3. Invest in Jesus' Kingdom

1 Peter 4:10 // Ephesians 2:10

### COMMON GROUNDS, PAUL KLEIN

We are blessed to have an excellent team of hospitality volunteers. They are dedicated not just to providing a cup of coffee or tea on Sundays but to creating a welcoming atmosphere for visitors and members, providing them with an opportunity to connect. That connection over a cup of coffee is important, as for some, having a cup of coffee after service may be the only time they manage to fellowship with other believers. There are no language barriers, no gender gaps, no generational tensions in enjoying a cup of coffee with our brothers and sisters. I encourage you to invest the time to have a coffee and see where it leads.

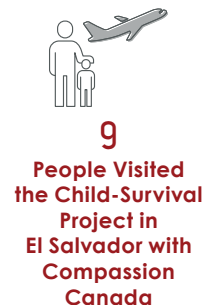

## 4. Shine Jesus' Presence

Matthew 5:16

### BASKETBALL OUTREACH, KIM SALCEDO

Building brotherhood and providing a place to hear and share the Good News are two components of the BVCC Basketball Ministry. For the past six months, 15-30 people have gathered on Fridays to experience #unleashinglove with one another. It's having an impact: seven people have either attended the Sunday service, a small group, or the Alpha Course; two have found support as they adjusted during their move back to BVCC from Skyview Church; one has returned to faith in Jesus, and practices unleashing love by bringing food to share every Friday.

The Basketball Outreach has been a chance for us to shine Jesus' presence to the community and has been a great way to connect with those that are both discovering and rediscovering God.

# 2019 Proposed Budget Summary
