

Until the Silence Breaks

By Peter Justine Copyright 2016 CCLI Song #7107253

D **A/C#** **Bm** **Bm/A**
I long to see the face of my Saviour

G **D/F#** **Asus A**
To hear the voice that calls out my name

D **A/C#**
I will hold the hand that reaches

Bm A G D/F#
Throughout eternity

Em **D/F#** **Asus**
And offer up my life to the One

A **G D A**
Who gave His life for me.

G D A
Who gave His life for me.

G D A Bm /A G
In the night, in the shadows of my soul

D **Asus A**
Where only fear remains

G D A Bm /A G
When all is lost, but a distant light of hope

D **Asus A**
I whisper out your name.

Bm **F#**
Until the silence breaks

C **G**
I don't know how much more I can take

Bm **F#** **G G/A G/B G/C#**
I will simply wait... for you
