BVCC GLOBAL

Our desire is to serve in partnership with ministries both locally and internationally that exist to help people find and follow Jesus. BVCC Global encompasses our diverse ministry partners—from Pine Lake Christian Camp in Alberta to Tabuk Refuge of Hope in the Philippines, and Ricot and Mandy Leon serving Haiti through Lifeline Christian Mission. We value the work done by our ministry partners serving in Canada, and Canadians serving internationally, as well as indigenous Christian leaders serving their people at home.

BVCC Global acts on behalf of Bow Valley Christian Church as we support our ministry partners with prayer and finances. We also seek opportunities to support our partners by sending short-term teams. Together we shine Jesus' love globally!
